

## Iridium 9575 EXTREME

- > Phoning and SMS
- > Low speed data sending (email and GRIB file)
- > world wide coverage
- > Waterproof, shock resistance, dustproof (IP65)
- > Integrated GPS and SOS bouton "warning"
- > Geolocation (optional)
- > Reduced weight and space requirements

### IRIDIUM / 9575 EXTREME

The Iridium 9575 Extreme is the newest Iridium cell phone. Very robust (IP65), ergonomic, lighter than its predecessor the 9555, with increased autonomy, this new terminal also has a GPS enabling the sending of a position, with its tracking on land accessible from a Web interface (optional).

An SOS button completes these new functions.

# Specifications
